RAKI, OUZO & ARAK

The national drink in Turkey and Greece made of twice-distilled grapes and Aniseed making it a great complement to Agora’s mezze dining experience.

Other stage names for Raki: Ouzo (Greek)| Arak (Arabic)

How do you drink it?
It is traditionally served in a slender glass with chilled water and topped with ice. You can also drink it straight if you’re up for it!

Why does it turn white?
When in contact with water, the anise oil gives the Raki a milky white appearance hence the nickname: Lion’s Milk of Turkey. Some Ouzo’s can have blue highlights as well.

Cheers! Şerefe! Yamas! Keskun!
